Growth

"Dare to venture into the world; to explore; to dream; to accomplish; and in the process, to mature, for the world belongs to those who seek it."

O, Sweet Youth, the whole world beckons.

"Come forth," It says.

Institutions are the lengthened shadows of men — men of foresight and initiative who have dared to venture forth; to dream; to foresee; to initiate; to accomplish; and to realize these accomplishments.

Our Board of Education, administration, certain Special Services personnel, and principals were instrumental in anticipating our growth and in providing for its needs by initiating Phase IV of our building program.

District Superintendent Miller and Plant Engineer Helton carefully reviewed the blueprints of Phase IV.

After Phase IV was put into effect, it resulted in a completely new and spacious building, which houses a large classroom wing, a fully-equipped Cosmetology department, a Bulldog blue locker room, a handsome gymnasium, and a second-floor library.

Industrial Arts facilities account for part of the space in the new Vocational Building. There are classrooms for metal shop, woodworking, vocational agriculture, industrial cooperative training, and auto mechanics.

Remodeling of the photo lab, cafeteria, and other areas was still another facet of this program.

This expansion was further effected by the guiding hand of Curriculum Director New, who is keenly aware of curriculum needs.

Mr. Miser and Mr. Schrachardt, with whom student needs are always uppermost, gave invaluable direction to the building project.

This expansion effort, which was designed to provide for our development, has helped to accommodate the class new to campus this year — the 158 freshmen. (Here Mr. Mitchell concerns himself with their future.)

An increased faculty of seventeen and an especially enriched vocational curriculum in auto mechanics, woodwork, and cosmetology are helping to meet the students' needs.

As we have alluded to earlier, men have responded to the world's beckoning, and they have responded well. They have planned and provided for it.

It would be well for us to emulate them and surpass them in their achievements if we might think so boldly.

We, Youth, feel that we, too, have begun to venture forth and accomplish. True, 'tis a struggle as we go through various stages of growth; yet we do grow — individually and collectively.

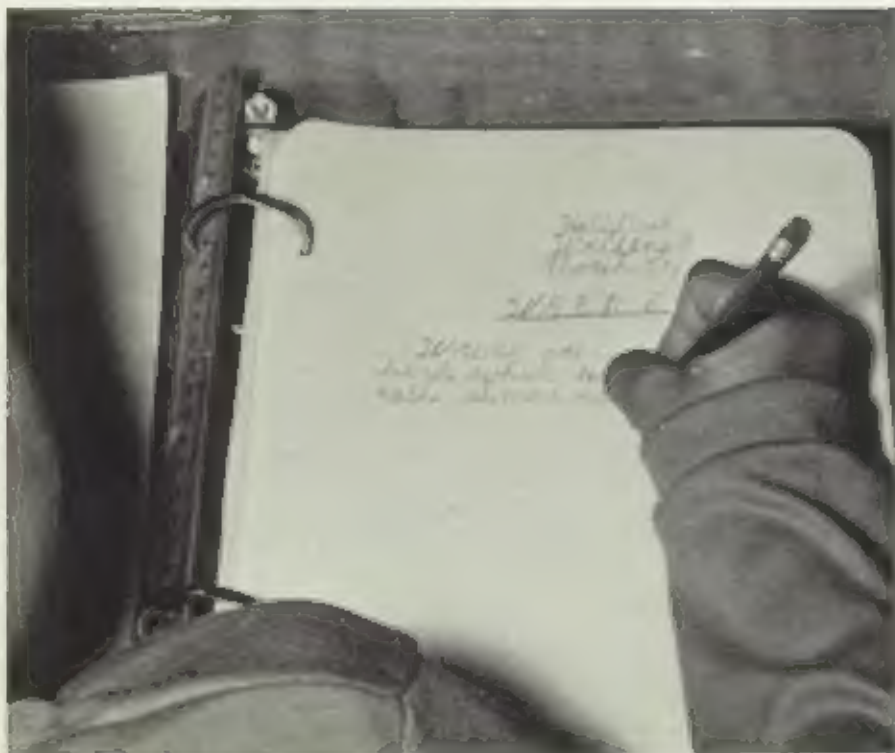

During our Freshman year we began to experience the much-longed-for life of independence. However, we soon learned that this new freedom was accompanied by confusion, a lack of know-how, and insecurity.

Since youth is a wonderful period of great physical, mental, and spiritual energy and yearning, we did not remain dismayed over some of our growing experiences.

With the enthusiasm kindled during our Freshman year, we entered into our Sophomore year. Confusion, doubts, and insecurity began to fade. We began making a place for ourselves.

By the time we became Juniors, we were really involved in classwork, organizations, activities, and a search for identity. Exactly who were we? We were asking for a clear image.

Sparked simply by the joy of being alive, we began the Senior year with a renewed awareness: Suddenly everything was important all over again. After twelve years of hard work, everything was ending and, at the same time, everything was beginning.

Hey, look at me! I can write cursive!

Time is precious.

Somewhere, somehow, along the way, we, Youth, find our niche — we belong! Through this belonging, we participate; we relate; we achieve; we mature

Several groups have evidenced real growth — tangible and intangible. These we especially salute!

The Football Maids enthusiastically support our athletic program through numerous fund-raising projects

The relatively newly-organized Bulldog Brigade has doubled in size and quality in a short two-year period

Art continues to concentrate on excellence. During Mr Smith's eight-year tenure, the department's floats alone have placed six times in county competition, winning, and very deservedly so, First Place, not once but twice!

An unusually choral-minded group is the Choir, which has not only captured twenty of the possible ninety-six positions in the Southern Region but also has produced eleven Area Candidates — a coveted number unsurpassed by its competitors

Obviously exuberant over another victory was our Girls' Basketball Varsity Team — a team which had just won its twelfth consecutive game playing against the 1973 State Champs at this time, who readily and admiringly classified our team as the "quickest one" they had ever encountered.

SWEENEY, TEXAS 77480

It has been a distinct honor and very pleasant experience for us to have served the Sweeny Schools for the past sixteen years. This year has been an especially memorable year for us.

Though our official association with you comes to a close, it is our sincere desire to continue to count each of you as a personal friend.

We extend to each of you our sincere personal regards.

Sweeny Rains Out La Porte, 12-6

On a rain-soaked field in La Porte, Sweeny picked up its first district win. The first score of the game came from a nine-yard pass by La Porte to cap off a sixty-four yard drive caused by a Sweeny fumble in the second quarter. Sweeny came back in the same quarter after the kickoff to finish off a sixty-five yard drive with a bruising twenty-three yard run by Leroy Jones. It was tied the half 6-6. It was tight the third quarter, but halfway through the final quarter the Bulldog defense pushed La Porte back to their thirteen. After the punt, taking over on La Porte's forty-one, the Bulldogs ran it down to the 6. Stockman threw one of his 3 passes to Helmbeck, the TE, for 6 more points to win the game, 12-6.

Sweeny Rolls Over Hitchcock, 23-14

It was the second district game of the season. Hitchcock scored twice first and last. Sweeny was sluggish, but the first Hitchcock score ignited the Bulldogs. Jones scored first on a six-yard run across the goal line. The next score came when it was four down and seventeen yards to go. Keener dropped back. Brooks took a short snap and raced fifty-four yards for a score. In the third quarter Nelson kicked his first field goal of twenty-five yards. On the kick off Austin recovered a fumble. Jammer, being sandwiched between two defenders, made a touchdown grab. Hitchcock scored once more. Sweeny gained 273 yards to go by Hitchcock, 23-14.

Sweeny Drills The Oilers, 21-7

It was a packed crowd on "Dad's Night." The Bulldogs were about to go against the Pearland Oilers. The Bulldogs overcame a terrible first quarter with four turnovers and a nullified score. Sweeny got on the board first with a one-yard sneak by Stockman, ending a sixty-eight yard drive. The Oilers got their only score on a six-yard run in the second quarter. The Bulldogs came back the second half with two scores and with a great defense. Both were scored by Williams on a thirty-yard pass from Stockman and a fifteen-yard gallop to the end zone. Sweeny had a great game with 326 yards total offense to beat the Oilers, 21-7.

District Football Action

Sweeny Loses Squeaker

An overflow crowd of 6,000 witnessed the age-old rivalry between these two teams. Our cross-river rivals barely managed to pull this one out. Sweeny scored first on a twenty-four yard field goal from the toe of Rodney Nelson, in the second quarter. Up until the fourth quarter it was a very grueling defensive standstill. It was in the fourth quarter that Columbia was stopped in Sweeny territory with a fourth and twelfth. West Columbia stunned the hometown crowd by completing a touchdown pass and added the conversion, thus making the final score, 7-3.

Sweeny Stomps Santa Fe, 47-0

For the last game of the season, Sweeny traveled to Alta Loma to meet the Santa Fe Indians. Sweeny scored 7 times the first quarter, which was on a fifty-nine yard gallop by Williams. Next in the same quarter Jones ran thirty-five yards for a Sweeny score. In the second quarter Edison went a short 5 yards for 6 points. Then Chester Brown went in for 6 more points. With only a few seconds left, Higgins intercepted a pass and scrambled sixty-four yards as time ran out. Two scores came in the second half. One in the third quarter by Stockman on a seventeen-yard run and the last score came on a Stockman to Helmbeck pass of 10 yards, which made it a good season closer, 47-0.

Everyone works hard in woodshop

It's time for class, boys

Action

What's so funny, Candy?

Kids in Middle School really have strange dances

Is this the Friskies or a police lineup?

Has it been that bad of a Jay Casat+ Pantalone?

Is it Fonsie or is it Glen Hooker in disguise?

Is he really a devil?

Art is always fun even if it is a little messy

Western Day

Could it be Pocahontas?

What are you doing now, Toinette?

Everyone had fun with the "quiddress"

Roping was one of the games played during Western Day

Intermediate

This P.E. class seems to enjoy playing volleyball.

The Music Department sings at an assembly.

A class shows off their geography projects.

You must have a sweet tooth!

Some kids never grow up. Mrs. King, Mr. George, Mrs. Naran.

Is it really Peppi Longstocking?

Action

We'll give you three guesses as to who we're dressed as

Dress-up day is really enjoyed by all. Right, Candy?

Isn't Miss Williams the cat's meow?

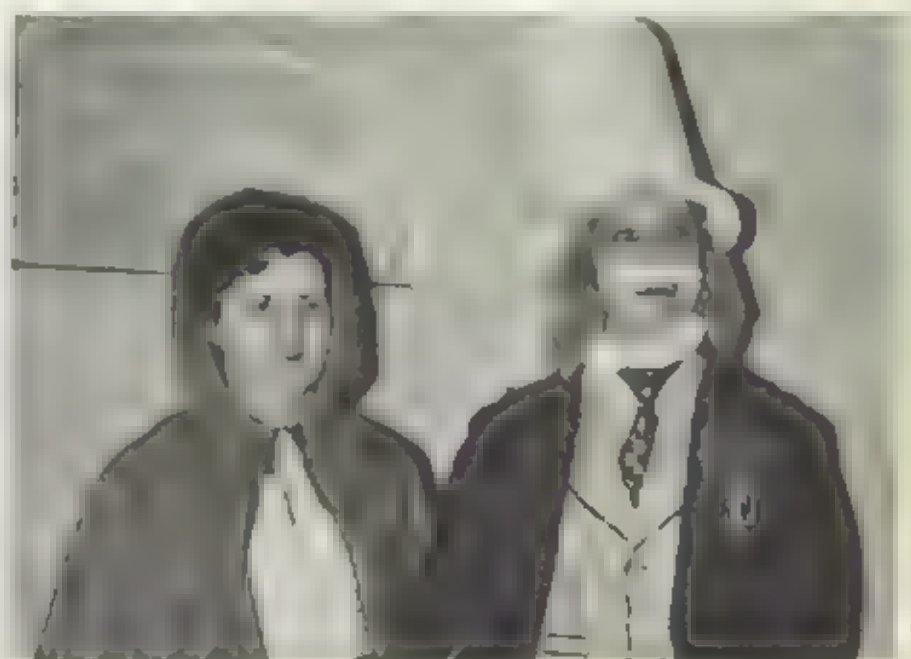

Mrs. Frank and class really works hard when she watches!

Cym dollies really win over other sports

Don't shout

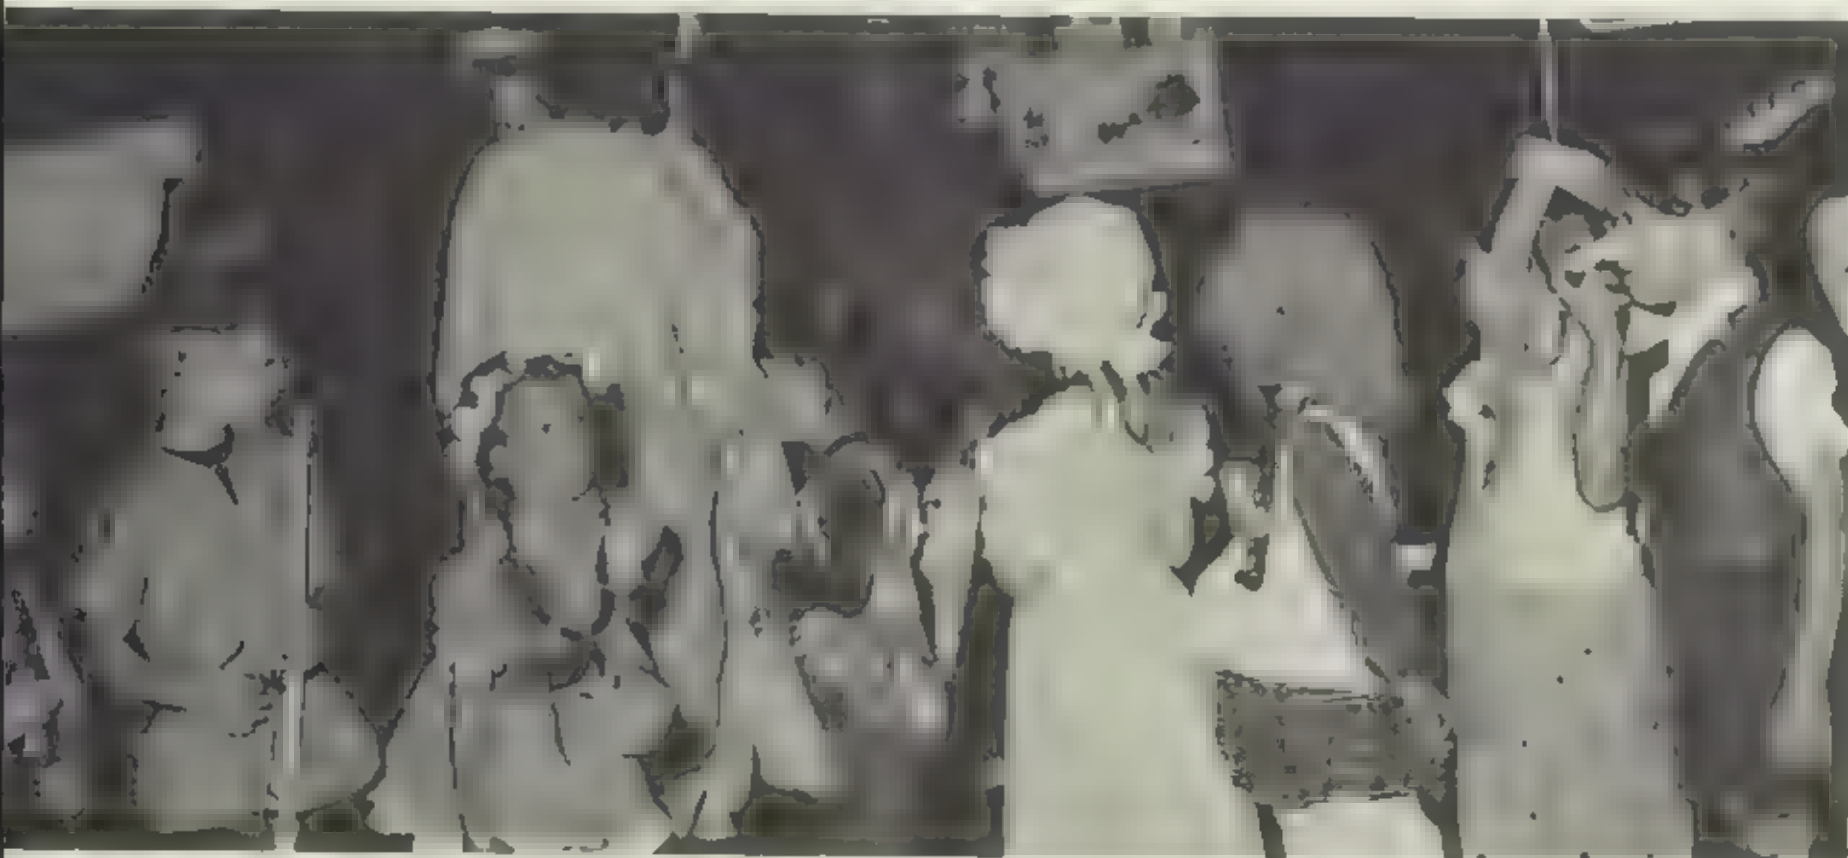

Mrs. K. Stone and Mrs. Laetke seem to want to change their identity

Youth — our most valuable natural resource — How beautiful it is! How brightly it gleams! How hungry, curious, eager, energetic and optimistic it is! As someone has so aptly said: "Children see the world the way the morning brings it back to them — new and born and fresh and wonderful!"

Yearbook Staff

The Staff is very much pleased to present for you moments to remember — moments to treasure

The Staff is also very grateful for all the behind-the-scenes understanding and help it has received from many persons!

Yearbook Staff — Seated: Cathy McReynolds (Editor), Sue Payne (Photo Editor), Karen Larson (Business Manager), Carolyn Clinton (Layout Editor). Standing: Co-Sponsor Mr. Swan, Julie Hughes, Pam O'Neal, Edna Mansel, Darla Enley, Rhonda Finley, Tammy Smith, Esther Cisneros, Lisa Nash, Co-Sponsor Mrs. McLelland.

Cathy, Karen, and Sue, the only regular Staff members, get some help from Anthony Graeber as the Staff finally moves into a place of its own — the old Photo Lab. Mrs. McLelland and the Staff "core" plan the yearbook as Mr. Swan looks on. Lisa and Cathy wasted no time in putting up one of the many posters advertising the sale of the '74 Yearbook. Three young ladies were happy to have the customers "step right up."

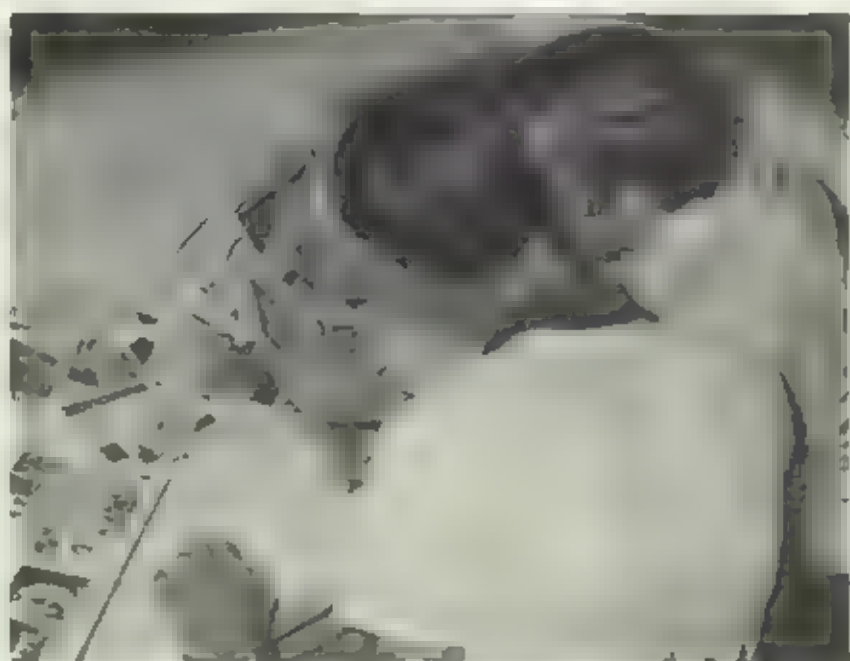

This was one of those hectic Activity Periods when our "regular three" and the part-time staff discussed assignments.

Bryan Sunderman and Roger Roades, non-staff members, graciously conceded to work up a large portion of the Sports Section.

Edna Mansel, Lammie Smith, and Esther Caseros are busy discussing appropriate captions.

Carole Clinton was working the cropper "over time" around shipment deadline time.

These girls were "going strong" meeting one of the deadlines.

A few members of Mrs. McLelland's sixth-period English class were instrumental in securing vital information for the yearbook theme.

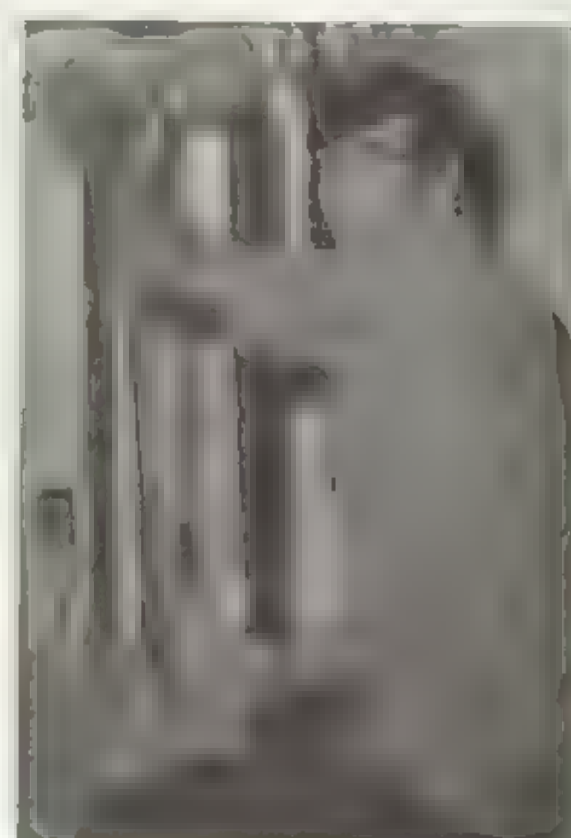

Without the Photography Lab, under the direction of Mr. Swan, the yearbook just "wouldn't be."

Anthony Graeber is positioning the Photogenic Set which provides quality lighting for posed pictures. Craig Harrington is making the final adjustments for this shot.

The developed negatives are being dried in the heated cabinet under the careful eye of John Snowden.

It is not uncommon for Alan Autenrieth to honor a yearbook request to enlarge a picture.

Pat Murphy and Bill Vautrain are completing the development of a print.

Yes we have a We are growing up

We are a team on the

We have learned to reach out to others

As a result of this growth, We, Youth, the hope of your day, face the future, undaunted!
